2 / What do we stand for?

To start us off, it's important to us at North Crest Kids Activity Center that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, coaches, teachers and all staff members at our studio and it is the driving force behind every interaction with our students and their families.

North Crest is a place where creativity and individuality is encouraged and has a community of teachers, students and families. We are passionate about giving our youth community an experience they will treasure, look back on with joy and remember lessons that they learned such as perseverance, time management, and mental strength that will support them well into adulthood. We strive to nurture and develop talent by providing quality programming and celebrating the achievements of all students. We prioritize the development of physical, emotional, and social skills that support the discovery of one's personal excellence. We focus on providing a safe and positive environment in which all students can feel empowered, comfortable and free to express themselves. We wish to protect our youth and what that stands for and therefore we screen our lyrics and limit our athlete's exposure in costuming. We are committed to maintaining the integrity of the art and discipline of dance. For this reason, ballet technique will remain our foundation. Through that foundation, our instructors and choreographers can encourage movement in all styles including ballet, tap, lyrical, contemporary, modern and hip hop as well as inspire a love and appreciation of all styles of dance and the arts. We value integrity, professionalism and family. We listen to our customers and welcome your feedback. We recognize that it is how we grow.

North Crest Kids Activity Center exists to inspire kids to achieve their full potential in the disciplines of dance and gymnastics by providing quality programming because we believe that all kids can do amazing things when they have someone who believes in them unconditionally!

Personal meetings with directors or the studio owner can happily be arranged via the front desk or by emailing a request.

7/ Available Classes

****All Dance Mix classes will cover Ballet/Tap & Jazz/Hip Hop every other week so that at the end of the summer you and your child can make an educated decision on which styles they would like to continue into the school year!**

It Takes 2 is a great class for our 2-3 year olds. This introduction to ballet and jazz uses creative, imaginative role-playing and fun dance basics. This class may involve pretending to be animals, playing instruments to learn rhythm, learning balancing, skipping and running and techniques using ribbons, or picking up "diamonds" (shhh...they're actually just feathers) from the ground to develop their hand-eye coordination. This class is suitable for both boys and girls who are having so much fun that they don't even realize that they are learning the fundamentals of ballet technique along the way. This class includes 20 minutes of dance and 20 minutes of gymnastics with an adult (at least 16+).

Dance Mix 1 is a class for our older preschoolers who are 3-4 years and about to get ready to start Kindergarten. The music for this class is fun and familiar to them and expands on the techniques learned by our younger class. We do some warming up, stretching, progressions across the room (including skips, kicks, chasses and jumps), super fun basic tap or hip hop skills and counting. They will learn steps including toe-heel, heel-toe, stamps and shuffles as well as making as much noise as they can in our fun, safe and educational environment.

Dance Mix 2 in this co-ed class for ages 5-6 students would be reviewing and learning the basics of tap, ballet, jazz & hip hop as well as building on their sense of rhythm and their confidence when it comes to performances. Dancing to popular, age-appropriate music and getting LOUD! Some examples of the techniques these students will learn include turns, kicks, leaps and body isolations.

Boy's Dance Mix is a class specifically for boys. In this class, boy's will learn the basics of ballet, jazz, tap and hip hop. Including rhythm and counting, they will also work a multitude of shuffle variations. During Hip hop the boys will work on getting low and having fun while gaining a work ethic and getting some activity in and some energy out.

Dance Mix 3 classes will be focusing on dancers looking to join our Company or Pre-Company programs or looking to continue their recreational dance career. Enhancing a dancers confidence through up beat and high energy dancing while being encouraged to let their personality shine through this class is encouraged for the dancer who has dance in their heart and is looking for a structured environment to learn and grow. Best suited for dancers ages 7-10.

Ballet/Jazz/Hip Hop 4 this class is ideal for dancers 9+. Covering 3 styles, this class is perfect for dancers wishing to continue dancing without competing and/or the dancer wanting to join their school dance team in the future. Ballet technique will assist the dancer with all styles of dance while giving them a technical background in dance. Jazz and hip hop provide a fun and fast paced dancing that dancers in this age range thrive off of.

8/ Safety

With the safety of our families a number one priority, North Crest Kids Activity Center is very serious about upholding Child Protection laws and policies within the studio as well as at public performances and in the online arena (website and social media).

We recognize that songs with sexist, explicit, violent, racist, homophobic or criminal content may influence our dancers and/or audience and strive to avoid such music. We are committed to restricting costumes that project sexuality, contain explicit graphics or textual content.

11/ Costs

It is required that you supply a credit or debit card when registering for classes (bank accounts are unable to be run by our system). This card will be kept on file, however, due to federal laws and for your safety, no one will be able to view your information, including employees. The information is stored in the software and only the last 4 digits are viewable. The card will be charged for your annual family membership fee and monthly installment. Payment for classes is due the 15th of the month prior to the month of service (Homeschool families, Team gymnasts and Company dancers will be charged on the 1st of the month). Be aware, if you register on or after the 15th, you may be charged your registration fee, your prorated first monthly installment and your second monthly installment, as it would be due at that time. You may pay installments via cash or check before the 15th of the current billing month to avoid having your credit card charged (end of the month for competitive gymnasts and dancers). Coupons or gift certificates must also be presented to the front desk prior to the 15th of the month. NOTE: We can only accept one tuition coupon per month. If your payment has not been received, your card on file will be charged for any remaining balance on the 15th or the closest business day (1st for competitive gymnasts and dancers). If your card has expired or declined and payment is not received by the 25th you may receive a \$35 late fee. If payment has not been received by the end of the month prior to service you may be asked to visit our front desk to make payment arrangements before your child is allowed to attend their class. We encourage you to check your jackrabbit parent portal monthly to ensure your payment's are going through. We do our best to catch these, however sometimes these are missed.

Installments for classes are billed monthly.

(Aug. 15th, Sept. 15th, Oct. 15th, Nov. 15th, Dec. 15th, Jan. 15th, Feb. 15th, Mar. 15th, Apr. 15th, May 15th, Jun. 15th & Jul. 15th)

12/ Attendance

Your child's attendance in class is very important to their peers and our coaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the routines we create, it also impacts the social and confidence-building principals we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform our team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.

Summer classes offer an extra bang for your buck; make-up classes! Let us know that your athlete will be gone for class and schedule a time to come and take another class! Can't make it for another class time? You can opt for an open gym coupon instead. Please watch your email, TeamApp, social media and our website at www.northcrestkids.com for any closings or weather related announcements. Tuition will not be adjusted for absences or missed classes due to weather emergencies or other unforeseen circumstances such as power outages, however open gym coupons will be distributed to make up for the missed class(es). Open gym coupons will be good for 3 months post issuance.

13/ Discontinuation policy

Please understand that the program you are registering for is a year long program that is broken into monthly installments for payment. The summer schedule is billed monthly beginning on May 15th for classes running June through August. The school year schedule of September through May requires re-enrollment and is billed starting August 15th. **You MUST give a written notice before the 15th of the month prior to the month of service in order to drop the program and thereby eliminate your tuition responsibility.** Tuition will not be adjusted for discontinuing classes mid-month. Team gymnasts and Company dancers are required to give one month's notice prior to their last billing cycle.

14/ What to Wear

At North Crest Kids Activity Center, we believe that when you dress the part you feel the part. With that being said, we ask that all dancers follow our apparel guidelines to ensure a safe and educational environment.

Tighter fitting athletic apparel that stretches with your dancer is always best for all athletes. This allows the instructor to see a dancer's form and body position so that proper corrections can be made. We ask that midriffs or tummies are always covered.

The following are all appropriate class-wear options: Leotard, compression/tight fitting t-shirt, tight-fitting tank top, shorts, leggings, ballet skirt, and convertible tights.

15/ What to get for class

Style-specific requirements are as follows:

It Takes 2- Bare feet are best when it comes to littles on our dance floor! If you would like, ballet shoes can be purchased at our front desk, however they are not required.

Dance Mix 1, 2, 3 & 4- Ballet or jazz shoes work wonderfully for these classes. Don't have either? Bare feet will also work! All we ask is no socks please.

Boy's Dance- Clean tennis shoes and bare feet are requested for this class.

Our pro-shop sells a variety of shoes, clothing and other apparel items that will meet all of your class needs. This includes tights, leotards, shorts, compression shirts, athletic shorts, dance skirts, ballet shoes, jazz shoes, tap shoes and hip hop shoes. If you do not find what you need in our proshop, all shoes and many apparel options are available for order at very reasonable prices.

16/ What to Bring

Your dancer will need a small bin or bag of your choice to store their dance shoes in. This could be a plastic or cardboard box, a small backpack, sling sack or small duffel bag. We recommend keeping this small so that it does not collect clutter.

They will also need a labeled plastic or metal water bottle (no glass please). When water bottles are labeled we can easily return them to athletes if left behind. We have a drinking fountain the kids can use, however this does take away from class time and is not recommended.

17/ What to Expect

Please bring your child to class in the proper attire, with a smiling face, and a pre-practice bathroom break. Please explain to your child that they can ask if they need to go to the bathroom, but it is best if they can go before or after their class, so they don't miss out on the fun or the instruction time!

Street shoes are not allowed in the studio as they get floors dirty and then dance shoes dirty. Please make sure your belongings are together and with a parent or in the cubbies by the bathrooms. Please do not leave belongings in the main lobby or by the studio door.

All of our instructors follow a monthly lesson plan that includes stretching, technique, games, skills, and routines. Instructors will engage with all students in a positive and affirmative manner while giving them a quality dance education. The class will always begin with attendance, so please be on time. The class will always end with encouraging words, stickers, and parent communication (whenever possible).

If you have a young dancer and they are nervous for you to leave during class, don't worry. We handle this often. Do not be embarrassed; many children go through anxiety of some sort in a new environment. Let us help you! If you need to come inside the studio during the first or second week of class, please know you are welcome to sit by the back door and allow your child to sit near you or on your lap. We will include them gently until they are ready to fully participate. Don't feel you are wasting your time, our time, or your child's time. We know that children still learn a great deal through observation. If you take the time to help ease your child into class, the benefits will be well worth it and your child will feel great about their accomplishment! Please note; we do ask that you remove street shoes prior to entering the studio.

As a parent or guardian your role is to be your dancer's cheerleader! Encourage and support them through the process of learning to dance. Watch their "shows" when they are eager to perform what they have learned in classes. Remember to join us on TeamApp, check your child's bin/bag for important handouts each week and keep an eye on your email for important announcements frequently; these are our primary sources of communication with parents and families.

18/ Performance Opportunities

At North Crest, dancers are expected to participate in one end of summer performance*, Summer Splash. Your child will learn 1 dance for Summer Splash and it is included in the curriculum we cover. Even if your dancer doesn't participate in the show they will learn the dance being performed.

Summer Splash is an end of summer showcase as well as a customer appreciation picnic! Held on August 14th with times TBA. During this event we host a mock gymnastics meet for all of our recreational gymnasts and show off all of the routines our dancers work on during the summer! We bring chairs into the gym and rearrange so family and friends can come and congratulate all the hard work your athletes have put in during their summer at North Crest! To conclude the event we offer a customer appreciation picnic outside by our playground for all family and friends that come to celebrate a successful summer!

*It Takes 2 Pea athletes do not have a performance opportunity in the summer session.
