2 / What do we stand for?

To start us off, it's important to us at North Crest Kids Activity Center that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, coaches, teachers and all staff members at our studio and it is the driving force behind every interaction with our students and their families.

North Crest is a place where creativity and individuality is encouraged and has a community of teachers, students and families. We are passionate about giving our youth community an experience they will treasure, look back on with joy and remember lessons that they learned such as perseverance, time management, and mental strength that will support them well into adulthood. We strive to nurture and develop talent by providing quality programming and celebrating the achievements of all students. We prioritize the development of physical, emotional, and social skills that support the discovery of one's personal excellence. We focus on providing a safe and positive environment in which all students can feel empowered, comfortable and free to express themselves. We wish to protect our youth and what that stands for and therefore we screen our lyrics and limit our athlete's exposure in costuming. We are committed to maintaining the integrity of the art and discipline of dance. For this reason, ballet technique will remain our foundation. Through that foundation, our instructors and choreographers can encourage movement in all styles including ballet, tap, lyrical, contemporary, modern and hip hop as well as inspire a love and appreciation of all styles of dance and the arts. We value integrity, professionalism and family. We listen to our customers and welcome your feedback. We recognize that it is how we grow.

North Crest Kids Activity Center exists to inspire kids to achieve their full potential in the disciplines of dance, gymnastics and cheer by providing quality programming because we believe that all kids can do amazing things when they have someone who believes in them unconditionally!

Families who do not comply with their fee or costume payment obligations may be charged a late fee, and/or excluded from performances. External debt collection may occur when fees remain overdue and this will be at the expense of the client. Costume expenses are the responsibility of the parent, and costumes will not be issued to students with unpaid class fees.

Parents are not to approach teachers or students during class and if messages or food/drink/medication needs to be passed on to a student, it must be done through a North Crest Kids Activity Center staff member. All parents must wait in the lobby, outside of the studios until classes have been dismissed.

We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be collected.

Any questions or complaints must go through our front desk or directors – parents and students are not permitted to contact North Crest teachers via phone, or personal email / social networking with studio issues unless it has been broached with the director first. Personal meetings with directors or the studio owner can happily be arranged via the front desk or by emailing a request.

In the rare case of a parent or student showing disrespect or defamation to any parent, staff member or student, a meeting will be called immediately and dismissal may be considered at the discretion of the director. Physical, mental, emotional or cyber bullying by parents, staff or students will not be tolerated and may result in dismissal from the studio.

7/ Available Classes

It Takes 2 Pea is a great class for our 2-3 year olds. This introduction to ballet and jazz uses creative, imaginative role-playing and fun dance basics. This class may involve pretending to be animals, playing instruments to learn rhythm, learning balancing, skipping and running and techniques using ribbons, or picking up “diamonds” (shhh...they’re actually just feathers) from the ground to develop their hand-eye coordination. This class is suitable for all who are having kids. They’ll be having so much fun that they don’t even realise that they are learning the fundamentals of dance technique along the way. This class includes 20 minutes of dance and 20 minutes of gymnastics with an adult (at least 16+).

Dance Movement 1 - 3 Pea Gym AND Dance Movement 1 - 4 Pea Gym is a class for our older preschoolers who are 4 years and about to get ready to start Kindergarten. The music for this class is fun and familiar to them. We do some warming up, stretching, progressions across the room (including skips, kicks and jumps), super fun basic tap skills and counting. They will learn steps including toe-heel, heel-toe, stamps and shuffles as well as making as much noise as they can in our fun, safe and educational environment. Dancers will alternate between Jazz and Tap every other week while learning the basis of dance and movement. Our Sweet Peas 3, 4 & 5/6 classes are structured around an appropriate curriculum for boys and girls 3 to 6 years old. Our preschool coaches will lead the class in warm-up/stretch and lead the class around our many circuits. The circuits cover vault, bars, beam, and floor, plus tramp. The gymnasts will work on large motor skills, body awareness and basic gymnastics skills. Skills learned will prepare your child to move up into the next level, and eventually the big gym!

Ballet/Tap 2 - 5/6 Pea Gym in this class students would be reviewing and learning the basics of tap and ballet technique as well as building on their sense of rhythm and their confidence when it comes to performances. 8/ Safety

With the safety of our families a number one priority, North Crest Kids Activity Center is very serious about upholding Child Protection laws and policies within the studio as well as at performances and in the online arena (website and social media).

As part of your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your student for advertising and promotional purposes. Should you have any concerns whatsoever with signing this declaration, please email our reception staff who will happily assist you.

You will also find within our enrollment paperwork that you signed a public liability / insurance statement. Please read this document carefully so we ensure that you fully understand the rights and responsibilities of your family and our studio.

We have a number of viewing windows within the studio rehearsal space which can be checked by parents and family members from the comfort of our lobby. We ask kindly that you do not tap on these windows and keep communication to kids to a minimum. These disruptions can cause further distractions to other class members and your own child.

**North Crest is a proud member of the
Dance Awareness Coalition.**

What We Do:

DA:NCE Awareness provides education and promotes awareness to end the hypersexualization of children in dance.

The Problem:

In dance experiences, children are increasingly being hypersexualized by adult sexuality inside and outside the dance studio. This can be seen in; The costumes they are being made to wear in dance competitions and performances. The choreography they are being made to perform. The music they are being made to dance to. These practices expose them to adult content before they are ready and set them up for problems and potentially harmful situations as children and later in life.

How We Help:

We raise the alarm that this is a problem and empower parents and adults to take action. The Dance Coalition provides free resources, research, and information for those who want to learn about the harms of hypersexualizing children. To Find these resources or get more information please visit www.danceawareness.com

The directors and staff at North Crest are educated in the negative impact of inappropriate music and costume selection when it comes to dance and are wholeheartedly committed to ensuring children in all of our dance classes are not subjected to any inappropriate songs, costuming or choreography. We recognize that songs with sexist, explicit, violent, racist, homophobic or criminal content create sensitivity for our dancers and/or audience and strive to avoid such music. We are committed to restricting costumes and choreography that project sexuality, contain explicit graphics or textual content.

North Crest Kids Activity Center takes no responsibility for any stolen or misplaced property on the premises and we encourage our families to avoid bringing valuable items into the facility when possible.

11/ Costs Continued

The price of costumes, show t-shirts, videos, live action photos and picture day photos are not included in your tuition. These are an additional cost paid for by you. Costumes are necessary to participate in performances and spring costumes are necessary to participate in class photos in the spring.

Your dancer's costume for the Winter show will be a branded North Crest leotard, dress, compression shirt. As we try to make this performance opportunity affordable for you, performance apparel is kept to something your dancer can continue to wear for dance or gymnastics.

Your dancer's costume for the Spring show will be a more traditional costume. Think sequins, tutus, and fun colors! We really go all out to make each class excited about their costumes.

For both performances we have show t-shirts for your dancers! The Winter show shirt has the show logo and year on the front while the Spring show shirt includes a show logo on the front, as well as the names of all participants on the back. These shirts will become treasured memories in your dancer's experience.

We pride ourselves on bringing in a professional photographer and videographer so that you get all the memories you can imagine while still enjoying the shows in real-time. Videos are given on flash drives so that you can save them to your computer and share with friends and family near and far. Photos are shared via email and are yours to download and share as you see fit!

With all of these options, you might be thinking "That must cost an arm and a leg?!" However, we thought of that too! All of the above items are sold in a package so that it's easy to purchase. Able to do the spring show but not winter? No worries! Able to do both shows? You'll receive a free Memory Mate of your dancer and their class come picture week (a \$25 value!).

Winter Show Package: \$80 (NC Leotard, Show Shirt, Video & Photos)

Spring Show Package: \$120 (Costume, Show Shirt, Video & Photos)

*Families with multiple siblings in recreational dance receive a \$10 discount on each additional sibling due to only needing 1 show video.

12/ Attendance

Your child's attendance in class is very important to their peers and our coaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences impact the routines we create, it also impacts the social and confidence-building principals we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform our team as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work.

Unfortunately, we are unable to accommodate make-up sessions for students who miss classes, however, we do offer open gym/open studio coupons as long as we are notified about the absence prior to the class. Open gym/open studio coupons are good for 3 months from the date of the missed class.

Inclement weather statement: Because we have students from many areas and several school districts, we do not follow any one school's decision to close due to inclement weather. Please consult our important dates calendar, watch your email, TeamApp, social media and our website at www.northcrestkids.com for any closings or weather related announcements. Tuition will not be adjusted for absences or missed classes due to inclement weather or other unforeseen circumstances such as power outages, however open gym coupons will be distributed to make up for the missed class(es).

13/ Discontinuation policy

Please understand that the program you are registering for is a year long program that is broken into monthly installments for payment. The school year schedule is billed monthly beginning on August 15th for classes running September through May. The summer schedule of June, July and August requires re-enrollment and is billed May 15th, June 15th and July 15th. **You MUST give a written notice before the 15th of the month prior to the month of service in order to drop the program and thereby eliminate your tuition responsibility.** Tuition will not be adjusted for discontinuing classes mid-month. Team gymnasts and Company dancers are required to give one month's notice prior to their last billing cycle.

14/ What to Wear

At North Crest Kids Activity Center, we believe that when you dress the part you feel the part. With that being said we ask that all dancers follow our apparel guidelines to ensure a safe and educational environment.

Tighter fitting athletic apparel that stretches with your dancer is always best for all athletes. This allows the instructor to see a dancer's form and body position so that proper corrections can be made. We ask that midriffs are always covered. Keeping the same dress code building wide ensures ease of transition from dance to gymnastics or vice versa.

The following are all appropriate dance class-wear options: Leotard, compression/tight fitting t-shirt, tight-fitting tank top, shorts, leggings, ballet skirt(removable for gymnastics), and convertible tights(foot must come off/up for gymnastics).

An annually themed class apparel order will be available for a limited time at the beginning of our school season with limited supply, so be sure to watch for communication as this is often a highlight for our students.

Our pro-shop sells a variety of apparel items that will meet all of your class needs. This includes leotards, shorts, compression shirts and athletic shorts. If you do not find what you need in our proshop, many apparel options are available for order at very reasonable prices. Please inquire at our front desk for more information.

15/ What to get for class

Style-specific requirements are as follows:

It Takes 2- Female students will need pink ballet shoes and male students should have black ballet shoes. These can be purchased at our pro-shop. Females will also need pink tights for our spring recital. Tights are not required for class.

Dance Movement- Black slip on jazz shoes and black tap shoes are required. All of which can be purchased from our pro-shop. Females will also need pink tights for dance shows. Tights are not required for class.

Ballet/Tap- Female ballet/tap students must have pink ballet and black tap shoes and male ballet/tap students must have black ballet and black tap shoes. All of which can be purchased from our pro-shop. Females will also need pink tights for dance shows. Tights are not required for class.

Jazz/Hip Hop- Black slip on jazz shoes and black tennis shoes are required. All of which can be purchased from our pro-shop. Females will also need tan tights for dance shows. Tights are not required for class.

Boy's Dance- Black tap shoes and primarily black tennis shoes. Tap shoes can be purchased from our pro-shop and tennis shoes can be any clean street shoe.

Ballet/Jazz/Hip Hop- Female ballet/jazz/hip hop students must have pink ballet, black jazz & black tennis shoes. Male ballet/jazz/hip hop students must have black ballet, black jazz and black tennis shoes. All of which can be purchased from our pro-shop. Females will also need pink and tan tights for dance shows. Tights are not required for class.

Our pro-shop sells a variety of shoes, clothing and other apparel items that will meet all of your class needs. This includes tights, leotards, shorts, compression shirts, athletic shorts, dance skirts, ballet shoes, jazz shoes, tap shoes and hip hop shoes. If you are in a Jazz/Hip Hop class, black tennis shoes with white soles can be purchased at many local and online stores. Please avoid shoes with color on them as we want the shoes to be completely neutral. If you do not find what you need in our proshop, all shoes and many apparel options are available for order at very reasonable prices.

16/ What to Bring

Your dancer will need a small bin or bag of your choice to store their dance shoes in. This could be a plastic or cardboard box, a small backpack, sling sack or small duffel bag. We recommend keeping this small so that it does not collect clutter.

They will also need a labeled spill proof, plastic or metal water bottle (no glass please). When water bottles are labeled we can easily return them to athletes if left behind. We have a drinking fountain the kids can use, however, this does take away from class time and is not recommended.

17/ What to Expect

Please bring your child to class in the proper attire, with a smiling face, and a pre-practice bathroom break. Please explain to your child that they can ask if they need to go to the bathroom, but it is best if they can go before or after their class, so they don't miss out on the fun or the instruction time!

Street shoes are not allowed in the dance studio as they get floors dirty and then dance shoes dirty. Shoes and socks are not allowed in the gym for the safety of the gymnasts and to protect the condition of our equipment. Please make sure your belongings are together and with a parent or in the cubbies by the bathrooms. Please do not leave belongings in the main lobby or by the studio door.

All of our instructors follow a monthly lesson plan that includes a warm up, stretching, technique, games, skills, and routines. Instructors will engage with all students in a positive and affirmative manner while giving them quality instruction. The class will always begin with attendance, so please be on time. The class will always end with encouraging words, stickers, and parent communication (whenever possible)

If you have a young athlete and they are nervous for you to leave during class, don't worry. We handle this often. Do not be embarrassed; many children go through anxiety of some sort in a new environment. Let us help you! If you need to come inside the studio/mini gym during the first or second week of class, please know you are welcome to sit by the back door and allow your child to sit near you or on your lap. We will include them gently until they are ready to fully participate. Don't feel you are wasting your time, our time or your child's time, we know that children still learn a great deal through observation. If you take the time to help ease your child into class, the benefits will be well worth it and your child will feel great about their accomplishment! Please note; we do ask that you remove street shoes prior to entering the studio.

If you have a child in the big gym who is nervous or having problems going into the gym, while we cannot allow parents into our big gym, we will be happy to work with you to figure out what the problem is and help find a way to move forward. Each child is different and we have many options and solutions to try and help our athletes feel comfortable.

As a parent or guardian your role is to be your athlete's cheerleader! Encourage and support them through the process of learning to dance and gymnastics. Watch their "routines" when they are eager to perform what they have learned in classes. Remember to join us on TeamApp, check your child's bin/bag for important handouts each week and keep an eye on your email for important announcements frequently; these are our primary sources of communication with parents and families.

18/ Performance Opportunities

Showtime Showdown is an annual NC event and functions like a mock meet. It will be held in our big gym. All recreational gymnasts (3 Pea and up) learn 'routines' during class leading up to Showtime. The gymnasts will go through rotations on each event just like a real meet would run. Showtime Showdown is an element of our gymnastics program and considered to be an important part of the curriculum. The gymnast and spectator fees are necessary to cover expenses for this event. There will be emails, handouts and flyers given in the months leading up to Showtime, with the session times for different levels and classes.

*1, 2 and It Takes 2 Pea athletes will not participate in Showtime Showdown. Instead we will have a week where we encourage adults to take photos/videos in class to share their athlete's progress with their family & friends.
